*A Gospel Quartet*

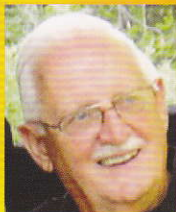

## Organized in 2005

Singing primarily Gospel songs in both accompanied and A Capella styles.

We have sung, as a ministry, to shut-ins, assisted living facilities, churches and inter-faith groups, clubs, philanthropic affairs, etc.

**Joy Potts, Tenor:** Joy began piano at age seven and while still in grade school accompanied the school chorus and was a substitute pianist at church. She was active as an accompanist all through high school and until the present day. Joy also enjoyed singing over the years, participating in college and community choirs. Before retiring, she worked in education and publishing. Joy is an accomplished songwriter and published composer of sacred music. She has served as organist/pianist for several churches in the past 25 years and currently holds that position at the 1<sup>st</sup> United Methodist Church in Homosassa Florida.

**Jim Potts, Lead:** Jim has spent much of his life singing, beginning at an early age in children's choirs. Majoring in music in college, he has since sung in men's groups and mixed chorales, both large and small. Striving to achieve musical excellence, Jim chose competitive barbershop singing, while following a career in industrial sales. He joined several quartets and men's choruses, most recently with the New Tradition, Northbrook, IL, which won three bronze, eight silver, and finally the gold medal in International Competition. One of his quartets also won the Illinois senior division and subsequently won the silver medal at International. He continues his singing as a tenor at 1st United Methodist Church in Homosassa Florida.
